*For purposes of this discussion, school districts have been divided into seven categories, as follows:

A - 5 largest districts (Houston, Dallas, Fort Worth, San Antonio, El Paso)
B - Other large city core districts - ADA - 15,000-50,000
C - Metro-fringe districts (suburban) - ADA - 15,000-50,000
D - Districts with ADA - 5,000-15,000
E - Districts with ADA - 1,000-5,000
F - Districts with ADA - 400-1,000
G - Districts with ADA - under 400
(ADA = average daily attendance based on 1969 figures)

**Adding the frequencies shown in '64 and '69 columns will not always produce the "total sample" column because of two virtually completed questionnaires that were coded and keypunched to the correct district but not to the year the respondents left school.
